Practical Opportunities for Every Career Stage and Discipline Throughout the Data Lifecycle:

Learn

Develop your data skills

- Cross-disciplinary training program **Data Train**
- Certificate of Advanced Studies **Data Train Advanced**
- On-demand, advanced trainings at DSC
- Summer schools, hackathons, **Data Snacks**
- Self-learning material (OER, Digital Toolkit)

Connect

Become part of Bremen's data community and extent your collaborations across institutions and disciplines.

- **Data Community Club:** Meet researchers, data stewards, and data scientists
- **Research Data Day:** All-hands meeting to discuss current topics
- **Data Stories:** Inspiring talks
- **Hacky Hours:** Co-working and peer-support
- **Citizen Science & public events:** Bridging research and society

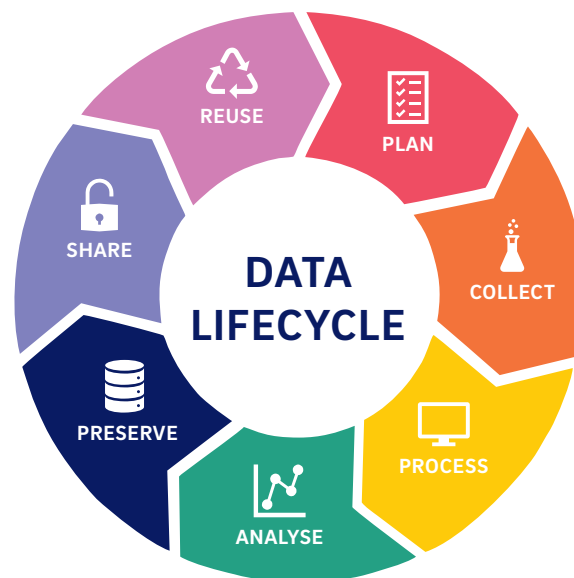

Opportunities are offered by the U Bremen Research Alliance and the Data Science Center (DSC) of the University of Bremen.

Research Data Day 2024

U Bremen Research Alliance

Data Champions 2026
© Jens Lehmkuhler /
U Bremen Research Alliance

Apply

- **Personal consultation** for every stage of the data lifecycle by data experts at the DSC
- **Interdisciplinary, data-intensive research projects** accelerating innovation
- **Data Champion Award** celebrating innovative and FAIR research data projects
