UBremen Research Alliance / Welcome Center

Extensive German Courses for members of the U Bremen Research Alliance in Summer 2027

In cooperation with the Goethe Institute and the University's Language Centre, as well as the U Bremen Research Alliance institutes, the Welcome Center offers German language courses exclusively for international researchers. Extensive courses on different levels (probably A1.1, A1.2, A2, B1) are offered during each semester.
The fee for the University researchers, employees and doctoral candidates is 40€ and is co-financed through the University Human Resource Development Department.
All courses will start in April 2027.
